

## **HAPPY DECEMBER IN LJUBLJANA AND MARIBOR**

The desire for better cooperation between Slovenian swimming clubs, we in Olimpija Ljubljana and Branik Maribor decided to connect two traditional competitions for younger swimmers, International swim meets MIKLAVŽ (St. Nicholas) held in Ljubljana and Tone Božič Memorial held in Maribor.

Competitions will be held alternately the first Saturdays in December. Overall individual and team winners will be announced at the second competition and awarded with special practical prizes. Only swimmers and teams which participate in both competition can swim for those awards.
